

## Electronic proportional regulator - Series PME

Product code: PME104-ED5I4W-00

Datasheet creation date: 10/03/2025 10:34

### TECHNICAL DATA

|                                       |  |
|---------------------------------------|--|
| <b>Series</b>                         | PME  |
| <b>size</b>                           | 1 = Size 1   |
| <b>Connections</b>                    | 04 = G1/4  |
| <b>Diagnostics</b>                    | E = Without diagnostics and wireless connection                              |
| <b>Pressure</b>                       | D = 0-10,3 bar   |
| <b>Function</b>                       | 5 = Standard, 3-way NC version. with port 3 and pilot exhaust not conveyable |
| <b>Piloting</b>                       | I = Internal   |
| <b>Command signal</b>                 | 4 = 4-20 mA  |
| <b>Feedback digital output signal</b> | W = pressure switch with "window" function                                   |
| <b>Cable length</b>                   | 00 = No cable  |
