

## Series QX - Twin Cylinders

Product code: QXT3A032A030

TECHNICAL DATA

Series (mm)	QX	
Version (mm)	T = sintered bronze bushes	
Operation (mm)	3 = through-rod (double-flange), radial pressure supply	
Materials (mm)	A = anodized aluminium body, rolled stainless steel 303 piston rod	
Diameter (mm)	32	
Construction (mm)	A = standard	
Stroke cylinder (mm)	30	

## Datasheet creation date: 10/03/2025 00:12
