### TECHNICAL DATA

|                                 |             |
|---------------------------------|-------------|
| Mod.                            | VMS-134-3/4 |
| A                               | G3/4        |
| ØB (mm)                         | 49.5        |
| L (mm)                          | 83.0        |
| Flow at 6 bar ΔP 1 (NI/min) 1-2 | 5350        |
| Flow at 6 bar ΔP 1 (NI/min) 2-3 | 5000        |
| Operating pressure (bar)        | 0÷15        |
| Operating temp. (°C)            | -10 ÷ 80    |
