

**Directive “on the interoperability of the rail system within the Community”
2008/57/EC Manufacturer’s Declaration**

The undersigned, representative of the following manufacturer

Camozzi spa
Via Eritrea, 20/I
25126 Brescia – Italy
Tel: +39 030 37921
Fax: +39 030 2400464

under its own responsibility, herewith declares that

Pneumatic and Electro-pneumatic components cannot be defined as “**interoperability constituents**” and they are not covered by the EC “interoperability of the rail system” directive **2008/57/EC**, however they can be used in the “**trans-European rail system**”.

Camozzi products are manufactured according to the prescriptions of the **EN 983** and **ISO 4414** standards and of the European directives **2004/108/EC** (EMC) and **2006/95/EC** (Low Voltage).

The Camozzi products intended to be assembled in a “subsystem” covered by 2008/57/EC directive, cannot be put into service before the subsystem in which they are incorporated has been declared to be in accordance with the requirements of the above-mentioned directive.
